SECTION A

1. MESSAGE FROM THE PRINCIPAL'S DESK:

Greetings and welcome my Students! to Kaliachak College, an academic institution of higher education runs with an up-to-date approach that targets to mould young men and women into successful personalities. India being the most populous nation, the Students are to assert their place in the global dais and to claim the piece of the sky and we the Kaliachak College Community firmly believe that the knowledge and skill can create feet to rise and wings to fly. The environment of this college welcomes you for building a good moral character, strong sense of discipline, competence and proficiency in your subject.

Kaliachak College strives to empower the learners to grow academically, socially and emotionally by supporting them to develop as independent thinkers and self decision makers and problem solvers for excellence in the classroom and society. We ceaselessly encourage the involvement, input and participation of the learners and we assure the best professional quality with experience of the teachers supported by the administrative staff by providing the support services and opportunities to make this institution one of the best destinations of academic excellence in the country.

O! learners, you are to be the masters of all trades; significantly the era of knowledge explosion, that we belong to, witnessed a rapid progress than before and blurring the boundaries, crossing the borders, wake up to be the zealous potentials of India. The institution takes utmost care in curricular, co-curricular, extracurricular and reach out programmes for the tri-fold development of the learners in the aspects of physical, mental and spiritual. Being an affiliated college we follow the syllabi of the University of Gour Banga and the scope we provide level based facility to the beneficiaries using the latest methods and technology in pedagogy. Various associations, committees and subcommittees conduct activities with their best practices around the year for all-round development of human resources with the credit.

We warmly welcome the enthusiastic youths to join the visionary family of Kaliachak College to mould or remould themselves in becoming the worth of the society and of the great Indian Nation also of the global community.

O, my dear students and dear fresher's, I deeply believe that you 'gain more knowledge, reach greater heights' proficiency and meritocracy come with self determination and due endeavour which is the target rest in you. All igniting young minds, from the deep core of my heart I do believe in your inherent power that you will serve the humanity as a whole.

2. THE COLLEGE AT A GLANCE

Kaliachak College is situated at Sultanganj , Kaliachak, Malda, 25 Kms. away from Malda District Town. There is a very good transportation facility both from Malda District Town and Farkka through the NH-34. The geographical location of the college is unique. It has a wonderful green landscape with a virgin environmental scenario. Rail Way and National highway are demarcating the western and eastern boundary of the college. The beautiful river Pugla is flowing in the extreme southern margin of the college campus. The northern limit of the college campus is delimited by a metalled road of Zilla Parishad extended from the NH-34 to Mothabari, connecting several settlements.

A vast number of the inhabitants of Kaliachak area are economically unsaturated and have been deprived from the facilities of higher education. For up lipment of the quality of life of the inhabitants of Kaliachak area the college was established on the 14th Aug.'95. The college was inaugurated by the then chief minister of west Bengal Mr. Joyati Basu on the aforesaid auspicious day.

Friendly atmosphere among the teaching, non teaching staff and beloved students has enhanced the charm of the learning environs.

I. Vision

The vision of the Founders of Kaliachak College remained to spread formal education initially among the boys and girls to fulfil the needs of the people of the vast agriculture based rural backward Muslim minority dominated, SC/ST, OBC and General inhabited area of the southern part of the Malda district in particular and to satisfy the national necessities at large.

The successor of the founders, we trust in the wider and modern connotation of Education to train the knowledge seeker youths for a meaningful life through the continuous effort for making competent human beings enriched in value based learning with special focus on women education. This establishment is to be developed as an outstanding institution of higher education in the local and global arena.

The Vision of Kaliachak College are to be:

- The civic centric learning to bridge the gap of the male-female, rural-urban, minority-majority, SC/ST-general in particular and all pupils in general.
- The institution of (i) learn to acquire knowledge, (ii) learn to do, (iii) learn to live together through inculcating harmony among all.
- The Institution for innovation in instruction, erudition research and reach out agenda.
- The Centre for Potential of Excellence in the National and International arena.
- The Institution to have autonomous status.

- The leading institution in the Cluster University

II. Mission of Kaliachak College

We are acting out our mission proclamation in materializing our vision declaration:

Our mission is to create human resources of talent enabled for positive contribution to the generations of knowledge, for social commitment through humanism and for innovative ideas for the adventure in search of truth. We pledge to ensure suitable infrastructure, support services, research facilitation and learners' friendly, skill oriented environment for development of personality for the building of the nation. The institution aspires to attract bright talents as input and to remould them as human wealth output. We intend to provide ample scope for multifaceted development of the youths and of the stakeholders irrespective of religion, race, caste, gender and region.

The Kaliachak College Motto: To Learn to Be

Values:

- Utmost effort for holistic development of learners to their full potential as value based human being of the globe and the responsible citizen of the nation;
- Highest standards of ethics and conducts in teaching, learning and research;
- Close interaction with all stakeholders as well as the segments of the society extending possible support for proper progression of them;
- Learning for eternal life to be globally ambitious and regionally rooted, and
- Academic freedom to the faculty and the learner to engage in intellectual discourse

Aims & Objectives

- ⇒ To impart quality higher education befitted at the times we stand and for the times to come adapting the changing environment for the meaningful and self-supporting eternal life to the educationally backward, socially unprivileged sections of people in particular and all knowledge seekers in general.

- ⇒ To impart skills and knowledge to enhance competency among the learners to face the challenges in life.
- ⇒ To encourage to take active part in life based research work useful for the society using the local strength in resources to overcome the weaknesses;
- ⇒ To inculcate the consciousness to be a good human being, to cultivate the scientific temper, to be patriot, to be a good citizen of the nation.
- ⇒ To bridge the gender gap by encouraging girls' education.
- ⇒ To promote abilities in language of local or global level.
- ⇒ To promote the calibre and future of the learners towards the prosperous height by kindling the potential in them.
