Dr. Nazibar Rahaman, Principal, Kaliachak College presided over the meeting. All the present members took active participation in the discussion and the following resolutions are taken:

1. The principal started the discussion with the issue of students dissatisfaction with the result of UG Sem-II (CBCS) and BA part-III (1+1+1). They expressed their mass discontent through demonstration and peaceful deputation to their principals and teacher-in-charge of different colleges including Kaliachak College.
2. Present teacher members also expressed their views in the same direction. They also pointed out that the college has nothing to do with the published result. Any review or reassessment of the published result is now under the purview of the university. Thus the teachers council urged the principal to pursue the University of Gour Banga to take some measures to address the resentment of the students regarding their result.

As there was no other agenda to discuss the meeting ended in exchange of thanks both to and from the chair.
