Dr. N. Rahaman, Principal Presided over the meeting. All the present members took active participation in the discussion and the following resolutions are taken:

1. The Principal reported that the existing main gate of the college campus has been damaged badly and may cause fatal accident at any time. Moreover the college is celebrating its silver jubilee in 2020, the proposal of reconstruction of the main gate at the same spot is accepted. The design of the gate is circulated among the members and they convey their preference along with the opinion from a series of 11 beautiful designs. According to the opinion poll design no:2 get the highest vote and hence selected.
2. However the design was accepted with the following corrections
 - (a) The still grill will be of symmetric design as like as the concrete structure
 - (b) The College logo and Silver Jubilee Logo will be put on the top of the grill on the front side as well as the back side respectively in a back to back position.
 - (c) The concrete part of the gate will be wrapped with granite stone.

As there is no other agenda to discuss the meeting is ended in exchange of thanks both to and from the chair.
